Topic:

New members are those who have been with SAE for less than two years and younger members are under the age of 37 make up about one half of the membership of the Atlanta Section. In the past this group has been underrepresented at the monthly meetings and this is an opportunity for you to come out and mingle/network with your peers.

There is no speaker or set agenda, just a time to interact with fellow members. If you have not been to a meeting of the Atlanta Section this is a good opportunity to find out more about the section in an informal setting.
