

This is a reminder that our September meeting will be a talk and tour at the CSX Transportation REDI Center. The meeting will be on Thursday, September 22nd at 6 pm.

Updated map links are provided below.

The meeting and tour will take place both inside and outside and will occur rain or shine.

NOTICE:

In order to go on the tour you MUST have the following requirements (no exceptions).

- 1) Lace up leather boots - safety boots preferred.**
- 2) Long pants.**
- 3) Shirt with sleeves (no tank tops or sleeve-less shirts allowed)**

The following is RECOMMENDED if you have your own equipment:

- 4) Hard hat.**
- 5) Safety glasses.**
- 6) Ear protection.**

CSX CAN provide items 4, 5 and 6 to those who do not have them.

Attendees must be able to properly wear any provided safety equipment.

(If children attend, they must have their own safety equipment - provided safety equipment will be sized for adults)

CSX Transportation is the largest railroad east of the Mississippi operating over 22,000 track miles and employing over 32,000 people. In 2005, CSX established the REDI center in Atlanta, GA to provide centralized, comprehensive training to its employees in all major departments -- Transportation, Engineering, and Mechanical.

Kevin Wood, a Locomotive Mechanical Instructor at the REDI center, will guide the group on a walking tour of the facility and speak on diesel locomotives and their related topics. The meeting begins at 6:00. Afterward, the group will socialize and have dinner at 5 Seasons Westside.

RSVP: If you plan to attend, please make a reservation by email with your name, the number attending and if you plan to join us for dinner after the tour to rsvp@sae-atlanta.org

You can also call Jim at (404) 245-8247

Please RSVP by 5pm on Wednesday, September 21st
